

COMMUNITY EVENTS

we are your expert in providing the right solutions for your online business, digital marketing, and branding

Spread Awareness

Engage residents

HELPFUL TIPS

Type of event

Consider the type of event! what is best for the intended audience. Will this be a one time event or reoccurring? Is your event scheduled when most people can attend?

Plan

Meet with GLS staff to plan the event. Discuss logistics such as promotion, set up, materials needed, and requesting support from other ambassadors

Communicate

Creating a winning branding strategy and empowering your brands to maximize your business goals' achievement

Advertise

Promote your event by dispersing flyers to district managers, bock clubs, religious groups, etc. you can also spread the word virtually via social media can also spread the word
