

# Multifamily Recycling

**Detroit Department of Public Works offers recycling service and free educational resources**

How it works:

1. We visit your site & help determine which containers are the best fit
2. Sign up for recycling carts or recycling dumpsters for weekly service
3. We teach your staff and tenants to Recycle Right!
4. Provide a new service for your residents & reduce trash pick-ups

## **96-Gallon Recycling Cart**

### Annual Cost

First container: \$450  
Additional: \$250 each

## **450-Gallon (2.2 cubic yards) Recycling Dumpster**

### Annual Cost

First container: \$900  
Additional: \$700 each

## **13-Gallon Resident Bags - FREE!**

Recycling bags for tenants to store and carry clean recyclables from their apartment to the recycling container. They are designed with recyclers in mind, featuring large **handles on top** and **loops on the bottom** to **easily transport** and **empty the recyclables**. They are **foldable for better storage**, and made from upcycled billboard vinyl, so they are **easy to clean** and each one is unique!

*\*DPW does not service Resident Bags directly, they are for interior collection only. Carts and Dumpsters are serviced.*
